SKOOLER

Tutorial
Parent login

SUMMARY

As soon as the school has registered your email you can generate your own code/password, and use the Skooler Parent Dashboard or Mobile app.
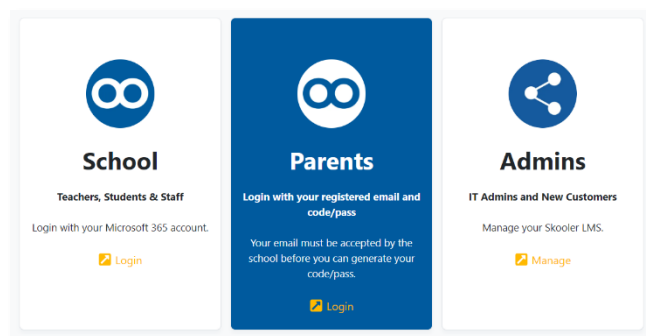

LOGIN

Desktop: Visit skooler.com/login and select Parents login.

or

Mobil App: Download and start App.

FIND YOUR SCHOOL

Use the search field and find your school.

FIRST TIME USER?

First time, you need to sign up and create your own password. The activation code is sent to the same email already registered with the school.

START

Login using your email and password.
